INFRATRONIC · POWER MONITORING

Powa Pro Alarm AC.

Smart alarm · Protect what matters

Powa Pro Alarm AC is a compact multi-sensor device that protects what matters most. It monitors temperature, detects power outages and senses motion, all in one. With NB-IoT connectivity, it delivers reliable alerts and remote peace of mind.

- Temperature sensing
- Power outage detection
- NB-IoT connectivity
- Motion: PIR + RADAR

Key features.

01 Temperature monitoring
Set your own temperature limits in the app, anywhere between −20°C and 70°C.

02 Power outage detection
Detects voltage loss and power outages.

03 Motion detection
Motion detection with PIR + RADAR for security alerts.

04 NB-IoT connectivity
NB-IoT connectivity for reliable remote monitoring.

05 Instant alerts
Instant alerts for critical events, with reliable notifications via mobile or platform.

06 Plug-and-play design
Compact, plug-and-play design with easy installation and configuration.

07 Wide-range power supply
90–240 V AC power supply: a wide voltage range for global use.

Specifications.

Mounting	Standard DIN rail
Power supply	90–240 V AC (wide voltage range for global use)
Sensors	Temperature (high and low), voltage loss and power outage, motion (PIR + RADAR)
Temperature alarm	Adjustable in the app, from −20°C to 70°C (−4°F to 158°F)
Connectivity	NB-IoT
Alerts	Instant alerts via mobile or platform, at power loss and when the power is back
Backup power	Built-in, sends the alert during an outage
Alarm buzzer	Yes

Dimensions, weight and power consumption are available on request. Ask us at info@infratronic.nl.

Key benefits

- Real-time protection for assets and facilities
- Reliable notifications via mobile or platform
- Wide-area, low-power connectivity
- Easy installation and configuration
- Helps prevent damage, downtime and data loss
- Ideal for proactive monitoring and security

Typical applications

- Cold chain and refrigeration monitoring
- Technical rooms and server cabinets
- Warehouses and critical infrastructure
- Remote sites and field equipment
- Homes, offices and commercial buildings
